## Holiday and Short Term Boxes

---

Are you going on holiday, working away or having work done on your house?

You can have peace of mind that your most treasured possessions are safe with us for as little as £10 per week

## Applying for a Safe Deposit Box

---

Applying is easy.

Simply contact us by phone, email or through the website, complete our application, and for a small £5 deposit we will do the rest.

## Identification and Checks

---

You will need 1 form of Government issued photographic ID and 2 proof of address dated in the last 3-month. We do not accept phone bills and paper part driving license as proof of address. Anybody else you add to the box will also need the same ID.

We are supervised and audited by the Financial Conducts Authority (FCA) and therefore are obligated to conduct Anti Money Laundering (AML) and credit checks on all applicants.

## Insurance

---

You get insurance for your safety deposit box contents up to £10,000 through our trusted partners at Ellerton Knight, who specialise in cover through their trading company My Security Box. You can find them at [www.mysecuritybox.co.uk](http://www.mysecuritybox.co.uk)

If your contents are more than £10,000 they can give you an instant quote, while you register for up to £500,000 cover, including £100,000 cover for 'outside wear'.

## Box Security

---

We understand that even those people we know and trust can let us down. For that reason, nobody, including the centre staff, can access your box unless you have registered them.

You will have an access card and a key and have your fingerprint taken to gain access to your box. There are no master keys and no way for anyone other than you and those registered to access your box.

Once the vault room time lock is activated there is no access to the vault. Emergency access/egress is remotely activated and cannot be done by the centre staff.

## 24/7 Security

---

We take the protection of your valuables very seriously and go above and beyond some other providers to keep them safe:

- ◆ CCTV recording the entire premises outside and in, all day every day
- ◆ Double airlock doors
- ◆ Biometric access to the building and the vault
- ◆ Security Officer on site 24/7
- ◆ Staff situated behind steel plated wall and ballistics glass
- ◆ Panic buttons
- ◆ 220mm Grade 6 steel vault room & Grade 7 door gate
- ◆ Secure boxes
- ◆ Smoke cloak
- ◆ Priority police response
- ◆ Private viewing rooms
